The Promise

of total comfort & safety

It's our promise and commitment to offer total comfort. Every piece of upholstery is designed and handcrafted in our UK based 108,000 square foot factory, using the traditional skills of local craftsmen and covered by our 5 year, peace of mind guarantee.

Our recliners adjust to an almost infinite variety of positions and can raise the user effortlessly to their feet, all at the touch of a button. Total recliner comfort is guaranteed, with the choice of up to 4 recliner sizes to fulfil the promise of a perfect sitting position. Each Celebrity collection is available with matching fixed chairs and in most cases, all-action settees, designed to create the perfect suite.

Safety First Features

At Celebrity safety is always a priority. All powered models have an emergency battery backup. This will enable one use to return the chair to the desired position in the event of a power cut. Batteries should be replaced after use or every 12 months. To prevent the unauthorised use of a powered recliner all Celebrity handsets are detachable making the chair inoperable.

In addition, to reduce the risk of accidental entrapment, all Celebrity recliners are fitted with a spring loaded footrest.

Tested and Recognised

Celebrity Riser Recliners are FIRA tested and meet the British Standard BS EN 8474:2013–the performance standard for rising/reclining chairs. This internationally recognised Standard tests and specifies the safety, strength, stability and durability of the chairs' structure. The certification applies to both Single and Dual Motor Riser Recliners up to a weight limit of 160kg/25 stone. This FIRA certification is further validation of Celebrity's product quality and safety.

5 year guarantee

We are so confident that we have selected the best components to use in our recliners we offer a 5 year guarantee on all products at no extra cost. This guarantee covers the frame, action and all motor components including motor, control box, transformer and handset supply leads (excludes accidental damage or mis-use). All other parts carry a full 12 month guarantee against faulty workmanship. For full T&C's please see the Celebrity website www.celebrity-furniture.co.uk or contact us direct.

Comfort Technology

Mammoth Medical Grade™ Foam Seating Technology explained

MAMMOTH®

MEDICAL GRADE™ FOAM

IN PARTNERSHIP WITH CHARTERED SOCIETY OF PHYSIOTHERAPY

RECOMMENDED BY HEALTH PROFESSIONALS

Every Celebrity fabric ZipSPEED model has been re-designed and reengineered to be fitted with Mammoth Medical Grade™ Foam

What is...Medical Grade™ Foam?

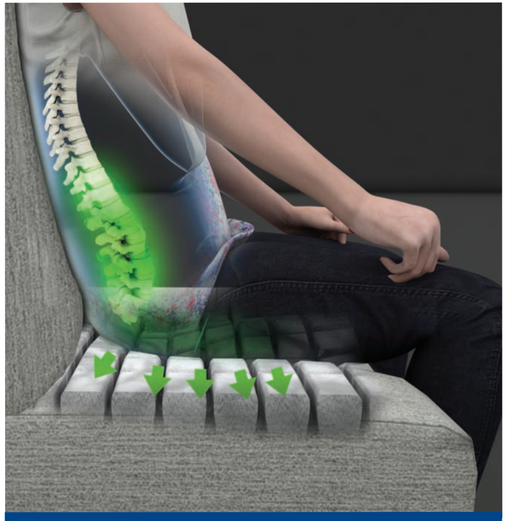

Naturally cooling Mammoth Medical Grade™ Foam was developed in healthcare to ease aches and pains, and return people to better health whilst being incredibly comfortable. It is specifically designed to relieve pressure, promote healing and help maintain and improve quality of life.

So effective, Mammoth are:

1. NHS award winners

2. Partnered with the Chartered Society of Physiotherapy

3. Recommended by health professionals and experts across the U.K.

'Mammoth research shows that 80% of your body weight goes through your lower back when sitting, so it is essential to have the right support.'

Sit longer in greater comfort and safety with Mammoth. That's because our leading seating technology gives you:

- Better ease of movement
- Better circulation, support and posture
- Pain relief
- Reduce risk of falling and injury
- Helping to prevent hip locking when sitting/standing.

Plus, Mammoth's cooling airflow channels help reduce sweating, moisture and bacteria build up.

Mammoth Medical Grade™ Foam Seating Technology comes as standard on all ZipSPEED ranges, including settees and fixed models*

Mammoth Medical Grade™ Foam comes with a 5 year guarantee

Manual Recliners

All manual recliners are available with either a latch or handle option. Release the latch for the footrest to rise then push gently on the arms and move your back in to the chair to recline the chair back. To return the chair to the seated position sit upright and push the footrest down until it clicks in to position. We recommend that users with limited lower leg strength select from our powered recliner range.

All-action comfort with our suites & settees

All Celebrity reclining settees are available with either manual or powered actions, plus a choice of two or three seat designs. Each settee is made to carefully match with its recliner chair to make the perfect suite, creating a totally new level of relaxation and style. All Celebrity powered reclining settees are available with either a Single Motor Recliner action or a Dual Motor Recliner action.

Manual Latch

Manual Handle

Power Handset

Power Button

All Power Buttons have a handy USB charging point.

Powered Recliners

Single Motor Recliner

Within the Single Motor action the footrest raises to its top level, the chair back will then start to recline.

Dual Motor Recliner

The Dual Motor Recliner action allows the footrest and the chair back to be operated independently to create your perfect sitting position.

Single Motor Riser Recliner*

The Single Motor action allows the footrest to raise to its top level, the chair back will then start to recline. The rising action will tilt the chair to enable the user to alight or access the chair with ease.

Dual Motor Riser Recliner*

The Dual Motor action allows the footrest and the chair back to be operated independently to create your perfect sitting position. The rising action will tilt the chair to enable the user to alight or access the chair with ease.

Perfect Partnership

We have collaborated with motor/action specialists TiMOTION to create Celebrity exclusive design handsets and power buttons. These superior designs provide an improved user experience and offer more choice options for the purchaser as both handset or power button options are available on all powered models. This also includes settees. The user has total control of the handset (or power button) being able to stop the action at any point just by removing pressure from the button.

TiMOTION

TiMOTION is an industry-leading provider of electric linear actuators.

* All Celebrity Riser Recliners qualify for Zero VAT rated where appropriate.

Please ask your retailer or refer to the government website for more details.

Celebrity handsets have a handy reset button that will bring the chair back to the seated position.

Celebrity handset, power buttons, latches and handles are supplied left hand facing on chairs as standard, right hand facing is available upon request at no extra cost.

Customise your recliner

All Celebrity products are made to order so manufacturing a chair, settee or suite to your requirements is our speciality. Select from the options available and our highly skilled upholsterers will create the items to your specification all at our UK site.
